ECO ENSULIN

Detoxify liver and maintain blood sugar levels with Eco Ensulin that is enriched with the natural goodness of Fenugreek Seeds and Bitter Gourd. Presence of Amla and Jamun is an added advantage as it offers immunity and maintains your health naturally. Turmeric serves as the antioxidant. Jamun Fruit is said to have been an immunity boosting properties and also used to treat diabetes, allergies, viral infection, inflammation, and gastric ulcer. Due to high Vitamin C content in Amla, it helps in boosting the immune system, slows down aging, treats throat infections, reduces blood sugar levels and improves heart health. It also helps in maintaining normal insulin secretion by maintaining your Pancreas health.
